Summer/Winter Temperatures (high-low)						
Annual Precipitation						
Major Languages Spoken						

Suggestion:
 Use with the Peace Corps map in the Third Goal Activity Kit and/or the Where Do Volunteers Go Peace Corps webpage at www.peacecorps.gov/index.cfm?shell=learn.wherepc.
 Make copies of the map and this exercise sheet as handouts. Insert your preferred Peace Corps country in the last column. Have students work in small groups of 4-5 students to solve and report out to larger group. You could create and provide a fact sheet of your preferred Peace Corps country to supplement this activity.
